1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I have been a customer of Dominion Energy since their acquisition of SCANNA and before that, of SCGE. During this time (since 2008) I have watched in absolute disbelief, that a company could operate, under the auspices of SC government, with such impunity! Customers have been "bilked" out of hundred if not thousands of dollars paying for a nuclear plant that never came to fruition while members of the companies garnered all kinds of cash and payouts at the end of their careers.

Now, Dominion wishes to raise rates without regard to the current financial situations of many of its users, while disregarding the "wonderful" promises and commitments they made during the acquisition

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

My protest is AGAINST rate increases and in support for holding Dominion Energy accountable for their contractual commitments to rate-payers.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
